FOR PULPIT AND PLATFORM: A HANDBOOK ON PREPARATION (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from For Pulpit and Platform: A Handbook on Preparation Numerous works on public religious discourse have been published that present the subject with minuteness and elaboration. There seems to be a place for a book that sets forth the essentials of effective speech in a less amplified form, for use by busy pastors, by speakers on various kinds of religious topics, and as a book of reference for students in theological schools. With slight change in phraseology the principles involved are equally applicable to those who wish to express their thoughts in an ordered and persuasive way, on any sort of subject. The author trusts that in the choice of materials and in the method of their presentation the work will be found to be practically adapted to the foregoing ends. With the spread of democracy, public speaking will be more widely practiced in the immediate future, and it is imperative that it shall be effective. If this handbook shall prove to be of service in furthering effectiveness of public speech, the purpose of the author in its publication will be achieved.
