Hugh L. Ray, the NFL s Mr. Einstein: Master Designer of the Modern Game (Paperback)

By James W Stangeland

Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The NFL s Mr. Einstein is a ground-breaking history of American football centered on Hugh Ray, the man who created the modern game. Ray is the NFL s best-kept secret, and arguably the greatest rules genius in football history. He reinvented and re-imagined a sport battered by unsafe and confusing rules. The story begins with football s first three fatality crises and President Theodore Roosevelt s well-known attempt to make the game safer in 1905-06. But it was Ray, not Roosevelt, who saved American football. He began by making innovative rules suggestions to the NCAA. Because of this success, the High School Federation hired Ray in 1929 to write a new set of rules for its game. At that time, the high schools were having trouble obtaining group injury insurance because of the high fracture rates suffered playing under the dangerous NCAA rules. Around this time, George Halas, the legendary owner and coach of the Chicago Bears asked Ray to do the same for the violent, sluggish NFL game. From 1933-52 Ray rewrote the NFL rules, stressing speed, safety...
