Wipf Stock Publishers, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Description: This collection of forty-eight sermons, most of which have not been previously published, discloses the integration of vocation and imagination in the work of one of the greatest of Free Church theologians, P. T. Forsyth. At a time of fragmentation, when theological study has become too much removed from the task of the preacher, Forsyth's work can remind us of the invigorating power of Christian doctrine interpreted and expounded in situations of pastoral and political exigency. Its capacity for the renewal of the church is evident again from this rich and timely anthology, compiled and introduced by Jason Goroncy.
