And that gives them the confidence to go out and hurt themselves. Most of it is conditioned behavior. Its a brainwashing. People hurt themselves every day doing what theyve been trained to think is right. Stupid is normal now. Wouldnt it be better to Think For Yourself This book will give you a more truthful understanding of money. You will make better decisions because reality makes a better foundation. This is not the same prattle you get everywhere else. This is for when you realize those commonly repeated mantras dont work for you. Its your money. Why not step away from the herd Think For Yourself and chart your own course. We do not give you tips to get rich or tricks to get free money. We give you the ability to get wealthy by understanding money and managing it wisely. For example; whats the half-life of a US Dollar Do you think it should impact money decisions How about budgeting Does tracking your expenses work Or would you rather budget more easily and effectively...
