British American Publishing, United States, 2015. Hardback. Book Condition: New. 231 x 155 mm. Language: English . Brand New Book. Buckle up and enjoy a rollicking ride with Bernard and Cool Kate, his unflappable wife, on a memorable trip behind the scenes at diverse places such as corporate boardrooms, The Paris Review, and the FBI, with jaunts to Hollywood and the Hamptons and points in between. Watch for the bold-faced names as you rove through Manhattan, from the staid and proper 21 Club to dining with the stars at Elaine's. Marvel at the challenges confronting Bernard as publisher of The Paris Review, while mixing with New York's literati, including Norman Mailer, Truman Capote, Gore Vidal, and George Plimpton. Shiver with Bernard's Butterflies as he struggles to balance his day job surveilling top hoods under the watchful eye of J. Edgar Hoover with his nighttime frolics among Manhattan's haute monde. Hang on as Bernard authors and publishes best-selling books while negotiating with Hollywood auteurs and producing award-winning films. Feel his uncertainty during the dreaded author tours as he appears on the Today Show and the BBC. Follow the insecure Bernard's nouveau riche climb up New York's social ladder from a tiny two-room penthouse to the board of a Fifth Avenue residence and finally to a lavish upstate Xanadu. Be forewarned, however, this trip is not for the faint of heart. Those offended by Truman Capote-esque revelations about the high and mighty, by tawdry gossip, or by jolting faux pas may want to avoid the trip! For the daring, however those ready for a whimsical fling fasten your seatbelt and prepare for a rag-to-riches literary joyride with A Parvenu in Xanadu.
