Tate Publishing Enterprises, United States, 2011. Paperback. Book Condition: New. 249 x 198 mm. Language: English . Brand New Book ***** Print on Demand *****.A good spiritual foundation is absolutely essential in this day and age, when the Christian thinking and beliefs are all over the park. Now the fundamentals of Christianity are laid out in an easy to follow collection of study sessions in Jane Harber s Walking Toward the Light. Using Biblical references, Jane answers many questions in clear and simple language that will appeal to new and old Christians alike. You will learn the basics of faith, such as: Who Jesus Is God s Love for You! God s Power . Grace Through Faith Making It Real These crucial studies prove to be stimulating and revitalizing, and their life-changing principles will help stabilize Christian foundational beliefs. Begin your journey through the most profound experience of life, and start Walking Toward the Light. You have done some great work here. Mike Warnke, Evangelist Christian Comedian This work should not be confused with a denominational handbook. Jane has done a good job of keeping free from sectarian or theological bias. The book is Scripture study from start to finish. I am convinced that Walking Toward the Light will become a standard textbook...
