

## Consciousness

By Puma Tse

Createspace, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Consciousness emerges from an evolving and scalable architecture of mind. The architecture shows a stark contrast with computer technology and reveals the physics of mind. The evolving way mind stores and retrieves information is at the root of both scalability and the emergence of consciousness. Consciousness is holistic and much more than just the evolving mind. It includes the emptiness of inactive parts that provide awareness of the active parts. Mind and consciousness imperfectly mirror the physical universe. Unlike a computer, the mind endeavors to perfect itself. To do this, mind evolves its qualia and memes subjectively in a way not dissimilar to how the universe develops matter from the most fundamental to filaments of galaxies. Through this evolution it changes the way it stores and retrieves information consistent with field theory. How it evolves is a function of normal psychology processes which are reflected in practical applications provided by the core teachings of Yoga, Buddhism, and Zen. Mind control aides in advanced evolutions and scaling of mind from individual to collective forms of consciousness. Right love and...
