Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Heads will roll, critics will scoff, and dead relatives will roll over in their graves. Follow Jacob, a mattress delivery driver, into uncharted realms of the human psyche. This irreverent tale of an infinite hallway of colored doors is theater-of the-absurd at its best. Jacob cautiously steps into bizarre nightmares and sublime dreams. As in Aldous Huxley's DOORS OF PERCEPTION, Jacob enters realms of the infinite, leaving behind his daily life with its narrow scope. At first fearful, he seeks to escape the strange hallway, but later, he questions his desire to return to his ordinary routine and the anxieties of today's world.
