The material is exceptionally involving and high in human interest - a hallmark of this popular author. The language syllabus is clear, comprehensive, and realistic in length. There is a discovery approach to language learning which encourages students to develop independent skills. This is reinforced by a comprehensive Grammar Reference at each level. It combines strong skills development, systematic vocabulary work, and an emphasis on functional English, with constant recycling. At Elementary level a 'Functional Language' reference draws together the practical everyday language that students need. An independent pronunciation syllabus introduces the IPA and covers English sounds, stress, and intonation. 128 pp. Englisch.
