iUniverse, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Would you rather be an average kid who grows up to be successful or a cool kid who grows up to be a loser? Whether you are an average kid or a cool one, learning how to successfully handle your money will be the key to your future success! Earning and saving money is an age-old concept but it seems to have gotten lost in the need to have the newest and best stuff. Adults are losing their homes and cars and it can happen to you if you aren't careful. You should pay particular attention to the chapters on interest and the economy. You will be surprised at how much money can be lost on interest payments alone. Would you rather own your home and cars or have the bank own them? Finance for Thought, For the Teenager will show you how to be in control of your money at all times.
