THE NEW WORLD ORDER INTERVIEW: ANSWERS FROM A LEADING FAMILY MEMBER OF THE NEW WORLD ORDER (PAPERBACK)

Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.What if the New World Order really existed? What if it were driven by spiritual forces? What if it really were Luciferic and was trying to control the human race? What if its main opposition shared some of its same goals? What if one of its leading members gave an interview about its purpose? And what if none of it meant what you thought it meant? Provided as an interview with a leader of a global attempt to control humanity, this is a philosophical journey with an anonymous source that touches on topics like Freemasonry and central banks, yet focuses on the spiritual matters behind it all, including prophets, the Bible, Lucifer, and Jesus Christ. Not your typical book trying to prove or expose the New World Order, this interview puts the power of transforming global politics into the hands of all.
