SPIRIT WARRIOR: SPIRIT PASS (PAPERBACK)

Montana Publishing, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. New York Times and USA TODAY Bestselling author of Western, Fantasy, and Paranormal Romance brings another adventure filled with action, suspense, and a love worth fighting for. Allie Whitewater was used to living between two worlds. She embraced both the Native American heritage of her father and the white heritage of her mother. She was happy with both and didn't have the identity crisis many of her friends had growing up. Growing up on a large working ranch in Montana, she loved every aspect of the life that her twin had left behind. She had no desire to live in town, or worse, a large city. She plans on spending the rest of her life on the ranch her father started, running it and making it even better than ever. All of that changes when she decides to take a little vacation to help her best friend and sister of the heart, Indiana, return to her new home. Jacob Tucker enjoys building up the ranch which he and his twin brother, Jonathan, had settled. Sure, there were dangers - rustlers, the harsh environment, Indians - but he wouldn't trade it for anything in the world. He is happy with life in the Montana territory. He never thinks there could be something or someone out there that could make him change his mind. At least, not until he travels with his brother to rescue his brother's new bride, Indiana, when she is kidnapped. His idea of life, and the world, changes when he leaves his ranch in 1867 to travel to 2013. The world has changed a lot and so have the women - namely one called Allie Whitewater....
