The event had been kept a profound secret by the committee on affairs even from their own class so that when the call came for supper most of the class had to be hunted up in great haste to prevent the dainties from getting cold. No one else in college suspected that such a thing was going on until one of the Seniors who is interested in Astronomy, on opening the windows which cover the telescope happened to overturn the immense tin punch bowl of ice water which held the place of honor on the crest of the dome. As soon as he discovered what was going on, the Senior proceeded to wake the Sophomore class, and incidentally the Junior, in order to break up the banquet. The Freshmen however were too safely ensconced upon the roof to...
