

Longarm and the Sonora Siren (Paperback)

By Tabor Evans

Jove Books, 2014. Paperback. Condition: New. Language: English . Brand New Book. Longarm sees action south of the border. As thunder booms and lightning flashes and wolves nuzzle the bloody, bullet-ridden corpses of Longarm's fallen foes out in the wet, muddy streets of a Mexican ghost town, the lawman is warm and cozy inside--and happy to be alive, receiving a sweet reward for rescuing a kidnapped senorita. Deputy U.S. Marshal Custis Long has technically gone rogue--crossing the border into Mexico to recover a stolen Army payroll. He hadn't planned on encountering hot-blooded hostage Claudia Cordova, but now he's sure glad he saved her. Until he wakes up after a night of passion tied to the four posts of a bed--his seductive siren long gone, her saddlebags bulging with those -gringo greenbacks-.

A very amazing publication with perfect and lucid information. We have read through and that i am certain that i will planning to study once more yet again in the future. You will not really feel monotony at anytime of the time (that's what catalogues are for about should you question me).
