

Pediatric Tricky Topics, Volume 1: A Practically Painless Review (Paperback)

By Christine M. Houser

Springer-Verlag New York Inc., United States, 2014. Paperback. Condition: New. 2015 ed.. Language: English . Brand New Book ***** Print on Demand *****.With hundreds of question and answer items and bite-sized chunks of information that can be read and processed easily, reviewing for the pediatric board exams - or just brushing up in your spare time - has never been easier. Pediatric Tricky Topics, Volume 1: A Practically Painless Review includes review items in pediatric orthopedics, trauma, environmental medicine, toxicology, rheumatology, and neurology topics, among others. The QA format allows for self-testing or study with a partner or a group and is practical and accessible enough to dip into during a few minutes of downtime at the hospital or office, and as such it is suitable for those studying for the pediatric board exam, practicing physicians brushing up their skills, and any busy clinician who wants to learn more about these topics while on the go.

Reviews

Definitely among the best publication We have possibly read through. I really could comprehend everything using this published e ebook. Its been written in an exceedingly straightforward way and it is simply after i finished reading through this ebook through which basically altered me, change the way i believe.

-- **Mr. Malachi Block**

Here is the finest publication we have read right up until now. It is actually written in easy words instead of difficult to understand. Its been written in a remarkably easy way in fact it is only right after i finished reading this book in which basically changed me, modify the way i really believe.
