Rational Spirituality Press, United Kingdom, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Would you like to de-stress your life and take back complete control? How liberating would it be if you could remove the hurt from the painful experiences in your life? How would you like to guarantee yourself that you ll never be a victim of anyone or anything ever again? Do you believe in the law of attraction ? Do you ever wonder how consciously creating squares with the idea of karma carried over from past lives, or of having a semi-predetermined life plan ? Might these not get in the way, and restrict your free will to manifest the life you desire? On the other hand, what if we were to properly acknowledge the advice we ve been given by the wisest sources of channelled wisdom for decades - that our concept of reincarnation is way too simplistic? What if they re right that our lives don t really follow one after the other but are happening alongside each other in the eternal now - irrespective of the fact they appear to involve different human eras? This idea of simultaneous lives might be difficult for our mere human brains to understand, but what would the implications be, particularly for the ideas of past-life karma and of next-life planning? What if instead we re forced to form a model of soul consciousness that perfectly dovetails with the law of attraction and shows that, subject to our birth givens , each of us is entirely responsible for generating all the experiences we re having in our life - via our own thoughts, beliefs and intentions? More than this are we finally ready, both individually and collectively, to reawaken to the truth of...
