

## Choreography 4th Edition With Web Resource: A Basic Approach Using Improvisation (Paperback)

By Sandra Cerny Minton

Human Kinetics Publishers, United States, 2017. Paperback. Condition: New. 4th edition. Language: English . Brand New Book. Choreography: A Basic Approach Using Improvisation has long been a recognized standard in the field of dance education, and its fourth edition is replete with new and updated material and tools that will help students develop their skills in each step of the choreographic experience, from finding an idea to staging the performance. Choreography is equally suited for use in high school and university classes. You can use it to guide your students through the creative and choreographic processes, applying instructional strategies such as problem solving, updated technology integration, and connections to dance education standards. The latest edition of Choreography has these additions: - A new student web resource that includes 23 video clips that reinforce the book's content, show the creative and choreographic processes presented in the book, and help students apply the choreographic elements to their own work. - Updated or new chapter content that supports the dance education standards as they apply to the creative process, improvisation, and choreographic development and to the technical aspects of staging performances - Expanded movement explorations to help students discover movement using more...
