I have made a few verbal alterations in the earlier patterns, as in the course of frequent working, better and quicker modes of doing them presented themselves, still the first part is substantially the same as when originally written. In the second part I have endeavoured to enlarge the area of Honiton lace, and vary the interest, by reviving some of the many different combinations of stitches in which the workers delighted in the old days when Lace-making was at its zenith, before they sunk to the weary round of turkey s tails, spread eagles, conventional roses, vulgar lilies, coarse thread, bad work, and little pay. The concluding instructions are devoted to a form of Lace...
