Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Do You Struggle With Tithe-Guilt? Do you tithe faithfully, yet never see a change in your circumstances? Do you desire to tithe, but you're barely covering your bills and household expenses already? Perhaps you don't tithe, and you wonder if God is angry with you. Or maybe you've been told you should tithe, but frankly you just don't want to! Bible instructor and blogger Valerie R Jackson has experienced firsthand the exasperation of navigating conflicting teachings on giving. She has had times in her life when she tithed faithfully, times when any sort of giving was a struggle, and times when she didn't tithe at all. Yet she was never quite sure if she was in God's will. You're not alone. Starting with a non-judgmental look at why believers make the giving choices they do, this book goes beyond the usual scriptural proofs that argue why we should or should not tithe. Are the current doctrines of tithing valid? Does Jesus talking about tithing at all? Were the first Christians tithers? This book is for everyday Christians who just want the freedom to give in peace. You are invited to give up the guilt and move forward to a place of generosity and grace by going Beyond the Tithe.
