Reviews

It is one of my favorite books. Sure, it is actually engaging, nonetheless an interesting and amazing literature. I am happy to let you know that this is basically the finest book I have ever studied inside my very own existence and might be the finest publication for ever.

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This book, written in response to many requests by friends on Facebook, is composed entirely of my Facebook sharings on the infinite spirit that is in us all. This is not the kind of book one reads straight through, from cover to cover, moving from premise to premise in order to reach some logical conclusion. It is a book to be read intuitively, contemplatively, here a little, there a little. Its aim is to inspire, to uplift, to validate, and, hopefully, to help the reader to center within, where his/her true self (Love) resides. Being non-religious, if I have a church, it has nothing to do with any organized institution-or with a building-or a gathering together of bodies who happen to share some beliefs in common. The Facebook community is one part of what I consider my church. My church exists at the subatomic level, as the ONE power that binds us all together between those theoretical atomic particles that science says make up the material of our universe. It is that connection that pulls us all together as tiny bits of awareness in the ONE GREAT AWARENESS that some call God. And so, this is my church, my gathering. It is a gathering within the infinite invisible. I call this connecting power or source Love. It is not only my Source, but also my parent (and yours), the ONE Presence in which we all live and move and have our being. Moreover, despite outward appearances, we are made in Its image, as Love and as LIGHT, though we barely remember our true origin. We are now, it seems, almost to flashpoint, almost to where, en masse, we are...
