

Nakiwulo and the Circle of Shiva (Paperback)

By Gregory Cholmondeley

Cholmonco, Inc., United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.HOW TO BUILD A SUPERHERO The CEO of a defense contractor empire hires a team of genius engineers and scientists to build a real, flesh-and-blood superhero. He provides them all the advanced technology they need: 3D printing, nanobots, mixed reality gear, synthetic tissue growth, next-gen AI, advanced weaponry, and drones. But he doesn't really expect them to make it work. Everything changes when 24-year-old Nakiwulo comes on board. She doesn't have a PhD. Instead, she's a top-notch online gaming strategist with a fourth-degree black belt. Her attitude and unorthodox style are exactly what the project needs. Still, this is all just a fun, proof of concept until the team discovers the real objective. There is an unseen global crisis threatening all of humanity and what they're building might be the only chance to avert it. That is, if they can overcome seemingly impossible obstacles and get everything working in time. This is their story. No gamma rays, aliens, or magic. Just a driven team of engineers relying on advanced versions of today's technology, creative brilliance, and incredible...
