Serious comic relief for a WORLD OUT OF ORDER :) From the Big Bang to the Big Bank to the Big Bust!!!!!!! Serious comic relief WORLD OUT OF ORDER : (Z tells the story of Mankinds ascent to the top of the food chain and beyond. From the Big Bang to the Big Bank to the Big Bust of 2008, Z has fresh insights and a unique perspective on world events, old and new. While the rest of the slaves to the economy are busy with protecting their stuff the banks are printing money, out of thin air (as always) and giving it to themselves and then lending it out to the failing companies like GM, with interest! Meanwhile the media and the rest of the population are asleep at the wheel where their automatic pilot is in full gear. Lulled into submission with gadgets and screens, Americans are ignorant of the truth of the Federal Reserve and the Money Power that dominates our lives in secretive and infiltrated ways. Folks have been led to believe this truth...
