PROGRESSIVE FOREIGN POLICY (PAPERBACK)

Polity Press, United Kingdom, 2007. Paperback. Condition: New. Language: English . Brand New Book. In May 1997, the then UK Foreign Secretary, Robin Cook, famously said that foreign policy should have an ethical dimension , and that the Labour Government would put human rights at the heart of foreign policy . The contributors set out new perspectives and policy options in respect of international security, democracy, justice, human rights, and sustainability. In addition, the book offers fresh thinking on the UK s relationship with key countries and regions, from the US to Europe, from the Middle East to China. Moreover, it suggests a radical new approach to global governance and to the way in which the UK makes and implements foreign policy. At a time of real flux in UK domestic politics and of rapid change in international politics, this book is an indispensable guide to the UK...
