CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 334 pages. Dimensions: 9.0in. x 6.0in. x 0.8in. Learning of Darren Rainey's death over two years ago, late June 2012, George Mallinckrodt authored *Getting Away With Murder* in frustration over the many dead-ends he encountered while trying to bring his killers to justice. The narrative follows George's progression from an idealistic psychotherapist to a prison-hardened case manager in the Transitional Care Unit where Darren Rainey would be housed. Refusing to let go of the notion he could make a difference, George encountered inmates with deep-rooted pathologies he had only read about in psychology journals. Undaunted, he steadily set about helping those capable of benefiting from his nearly 20 years of counseling experience. Behind the scenes, rumors began to circulate regarding inmate abuse. Guards cleverly masked their behavior by choosing the weak and mentally ill. They abused inmates at night when mental health staff were not around. Overly confident their misdeeds would go unpunished, guards made the mistake of beating an inmate during the day as an eyewitness looked on. That was the day that changed everything. . . This item ships from La Vergne, TN. Paperback.
