### ***Reviews***

*It is one of the best publications. It is definitely simplistic but exciting in the 50% in the ebook. I am very happy to let you know that this is basically the greatest publication I have ever gone through within my own existence and could be the greatest PDF for ever.*

AVON BOOKS, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book. The Rangers of the 1st/75th fight hard, train hard and play hard. They are physically strong and mentally tough, disciplined and courageous. But all their military training hasn't prepared them for falling in love. Rule #1: Military and matrimony don't mix. But if there's one person Staff Sergeant Danny MacGregor would break all his rules for, it's Bree--his first friend, first love, first everything. Maybe he likes playing the hero. Maybe he's trying to ease ten years of guilt. Either way, he'll do whatever he can to help her. Wish #1: A little bit of normal. Bree Dunbar has battled cancer, twice. What she wants most is a fresh start in a place where she can find a new job, and where people aren't constantly treating her like she's sick. By some miracle her wish is granted, but it comes with one major string attached--the man who broke her heart ten years before. The rules for this marriage of convenience are simple: when she's ready to stand on her own two feet, she'll walk away and he'll let her go. Only, as they both know all too well, things don't always go according to plan . . . An Avon Romance.
