## Cincinnati on Field and Court: The Sports Legacy of the Queen City

By Kevin Grace

Arcadia Publishing (SC), United States, 2002. Paperback. Book Condition: New. 239 x 165 mm. Language: English . Brand New Book. Sports are a key expression of civic identity along the Ohio River and are a large part of any discussion of Cincinnati's heritage. Their significance helps us interpret the broader issues of economic and social classes, gender differences, race and ethnicity matters, politics, and community values-in short, sports help us understand ourselves. Covering the time period from the 19th century when German immigrants formed the first American Turner societies for athletic training, and professional baseball developed to the current age of new ballparks and sports celebrities, Cincinnati on Field and Court takes a look at the place of sports in the cultural life of the Queen City. Included are professional teams like the Reds, Bengals, and Royals; legendary figures like Pete Rose, Oscar Robertson, and Ezzard Charles; dramatic moments like the 1919 World Series, the courageous story of Maurice Stokes, and the Olympic achievements of DeHart Hubbard; and social issues like the impact of women's sports and racial segregation and integration. The good, the bad, the foolish, the innovative, the tragic, and the inspiring are all covered.

### Reviews

*This type of book is almost everything and helped me hunting forward and more. I was able to comprehend almost everything using this published e.pdf. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

-- **Edwardo Ziemann**

*Unquestionably, this is the best work by any author. Better than never, though i am quite late in start reading this one. I realized this publication from my dad and i advised this pdf to find out.*
