Taylor Francis Ltd, United Kingdom, 2014. Paperback. Book Condition: New. Reprint. 229 x 152 mm. Language: English . Brand New Book. Through Homelessness Prevention in Treatment of Substance Abuse and Mental Illness: Logic Models and Implementation of Eight American Projects, psychiatrist, psychologists, and social workers will discover the results of eight, three-year long development projects funded by the Substance Abuse and Mental Health Services Administration (SAMHSA) designed to prevent homelessness in high- risk populations who have problems with alcoholism, drug abuse, and/or mental illness. Through this informative book, you will examine the theory or logic guiding each program, including an up-to-date review of the literature supporting each theory. You will also find a description of the implementation of the program as well as its history, the practical issues involved in delivering services, the pitfalls, lessons learned, and recommendations for the future so you can use the best ideas to implement in your own community and stop these individuals from reaching the streets. Homelessness Prevention in Treatment of Substance Abuse and Mental Illness provides insight into how to deal with many common issues that you are faced with every day, such as matching clients to appropriate services, preventing relapse, case management, training in independent living skills and money management, acquiring and maintaining housing, and benefits and employment for your disadvantaged clients. Compelling and informative, this unique book provides you with many tips and suggestions on how you can help the disadvantaged in our population avoid the added trauma of becoming homeless, such as: * examining a new modified therapeutic community (TC) intervention program for mothers recovering from substance abuse who live with their children so you can learn to treat the family as a whole and not just treat the person with a problem * gaining insight into a new intervention...
