Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Merry and Adam have evidence linking the Dead Sea Scrolls - and the mysterious Copper Scroll in particular - to the Pharaoh Akhenaten. They also have a whole new set of questions: \* Did Akhenaten s followers bury quantities of his temple treasures in Amarna before they fled Egypt to escape the wrath of the Theban priesthood? \* If so, is the treasure still there awaiting discovery? \* What new light can it shed on the Exodus? \* Was Moses to be found among the royal family of ancient Egypt? \* What secret did Pharaoh Seti I take with him to his grave? \* Can they risk another treasure hunt given Egypt s political instability? \* And, most importantly, why is Dan Fletcher back in Luxor? In setting out to answer these questions, Merry and friends must also decide how to involve the Ministry of State for Antiquities; while she and Adam wrestle with perhaps the biggest question of all - their future in Egypt. Join Meredith on her latest adventure along the Nile as she unlocks more secrets from Egypt s ancient past.
