

## The Attraction of Things (Paperback)

Filesize: 7.9 MB

### **Reviews**

*An incredibly wonderful ebook with lucid and perfect answers. It is written in easy words instead of difficult to understand. It has been printed in an exceptionally easy way in fact it is simply following. I finished reading this publication in which really modified me, modify the way I think.*

New Directions Publishing Corporation, United States, 2016. Paperback. Condition: New. Bilingual. Language: English . Brand New Book. The Attraction of Things concerns the entirety of beauty and the possibility of grace, relayed via obsessions with rare early gramophone records, the theater, translation, dying parents: all these elements are relayed in a dizzying strange traffic of cultural artifacts, friendships, losses, discoveries, and love. Roger Lewinter believes that in the realm of art, the distinction between life and death loses its relevance, the one taking place in the other. Whereas Story of Love in Solitude is a group of small stories, The Attraction of Things is a continuous narrative (more or less) of a man seeking (or stumbling upon) enlightenment. The Attraction of Things, states Lewinter, is the story of a being who lets himself go toward what attracts him, toward what he attracts--beings, works, things--and who, through successive encounters, finds the way out of the labyrinth, to the heart, where the bolt of illumination strikes. This is the story of a letting go toward the illumination.
