Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from A Handbook of Cyprus In the preparation of the last section, the Editors, with due sanction, borrowed very largely from the Report for 1901-1902 of the High Commissioner, Sir W. Haynes Smith. Their best thanks are due to His Excellency for allowing them to set before their readers so vivid and authoritative a sketch of the progress made during the twenty-five years of British rule. Note To Fourth Issue No pains have been spared in the revision of the Handbook for the fourth issue (1905). The wants and wishes of tourists have been specially consulted. Many sections have been again enlarged, and in point of bulk the volume has probably reached its limit. The Editors can only hope to enhance the value of future issues by severer accuracy. They would wish it noted that the Handbook is in no sense an official publication. Note To Fifth Issue Every care has been taken to maintain and raise in the fifth issue (1907) of the Handbook the standard of completeness and accuracy which the Editors proposed to themselves in the first. The arrangement has been improved: the section on Mythology is new. Mr. C. V. Bellamy, Director of Public Works, Lagos, has kindly recast that on Geology, and Mr. H. S. Thompson that on the Flora. Additions have been made wherever the interest of the subject demanded them. For the last time the talents and industry of Sir J. T. Hutchinson, to which a wider field is now offered in Ceylon, have been at the service of the work. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
