University Press of Florida. Hardcover. Condition: New. 256 pages. Dimensions: 0.0in. x 0.0in. x 0.0in. A timely reminder that Jeb Bush was and remains a deep-dyed conservative who was not reluctant to magnify and use all the powers of his office. Martin A. Dyckman, author of *Reubin OD. Askew and the Golden Age of Florida Politics* A detailed look at how Jeb Bush used enhanced constitutional executive powers, the first unified Republican state government elected to Tallahassee, and the force of his own personality and intellect to enact significant conservative political and policy changes in Florida. Aubrey Jewett, coauthor of *Politics in Florida* Few governors in modern history have altered the balance of power in their states as fundamentally as Jeb Bush did in Florida. Both hailed and reviled as the most consequential governor to be sworn into office in Tallahassee, Bush radically and perhaps permanently changed the dynamics of Florida politics. The first two-term Republican governor of a historically Democrat-voting state, Bush broadened the reach and bolstered the influence of the executive branch while drastically diminishing the roles of the legislature and the judiciary. During his second inaugural address, the small-government conservative dreamed of an idyllic Tallahassee free of government employees while presiding over the largest accumulation of gubernatorial authority in the states history. It was the beginning of a new kind of conservative activism, one that only gained strength in the years after Bush left office and which has now spread across the country. Republican governors around the nation have lauded him as a trailblazer, and his path has become the roadmap to their victories, his rhetoric the talking points of nearly every election cycle since. In *Conservative Hurricane*, Matthew Corrigan delves into the maelstrom of Florida politics where Bush rose to power to become an unstoppable force in state and...
