iUniverse, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.I am here to help you get back on track of what s really important, you. I pray that everyone who reads this book finds this to be a priceless journey and regain your ability to focus on what is most important: to pursue their dreams and aspirations. We can do it. I am doing it, right now, even as you read. Challenges in life are symbolic of obstacles we face. They are only tools placed in our path, to mold us into stronger resilient individuals, in the face of adversity. Some have been told that they will never amount to anything. Some may not have had the opportunity to have the resources to reach their goals. Some may have fallen off the path of success by misfortune, death, even depression. I once suffered, too, from chronic depression, but believe me, there is hope. We don t give up, we rise up. If we fall, we get up, and if we get dirty, clean up. Never run from your dreams. If you can see them you can reach them, but remember, let us not reach beyond reality, we might be setting ourselves up for failure.
