Reviews

This pdf is great. It is actually rally exciting through reading time. Your daily life span is going to be transform when you comprehensive reading this pdf.

(Francis Lubowitz)

UNDERSTANDING THE CHINESE CITY (PAPERBACK)

Sage Publications Ltd, United Kingdom, 2014. Paperback. Condition: New. Language: English . Brand New Book. One thing is clear: in marginalising Chinese tradition and falling short of wholesale importation of Western cultural and political ideals and institutions, Chinese cities have become, in one sense, the scrapyards of half-hearted emulations and acts of resistance, appearing to be neither here nor there. - Li Shiqiao, writing in the South China Morning Post This book teaches us to read the contemporary Chinese city. Li Shiqiao deftly crafts a new theory of the Chinese city and the dynamics of urbanization by: examining how the Chinese city has been shaped by the figuration of the writing system analyzing the continuing importance of the family and its barriers of protection against real and imagined dangersexploring the meanings of labour, and the resultant numerical and financial hierarchies demonstrating how actual structures bring into visual being the conceptions of numerical distributions, safety networks, and aesthetic orders. Understanding the Chinese City elegantly traces a thread between ancient Chinese city formations and current urban organizations, revealing hidden continuities that show how instrumental the past has been in forming the present. It contextualizes Chinese urban experiences in relation to familiar intellectual landmarks. Rather than becoming obstacles to change, ancient practices have become effective strategies of adaptation under radically new terms.
