Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Imagine a political system in which American Nationalism is absolutely taboo, one where the mere mention of patriotism instantly generates hysterical reactions from frenzied hordes of anti-racist lobbies, pressure groups and media pundits. Imagine a power structure in which politicians, financial institutions, foreign corporations, media conglomerates and non-profits organizations all share the stipends of a status quo they insidiously work to expand. Imagine an electoral process where every single political faction, from the main parties to the independents, had the same agenda and had to resort to staged oppositions on unimaginative non-issues to maintain the veil of democracy, critical to the accomplishment of their project. The political reality of the modern day United States has, in many ways, a lot in common with the dystopian future you just imagined. Controlled by the global elites, manipulated by a secretive internationalist oligarchy, the United States is more than ever prisoner of the cosmopolitan New World Order. Many Americans now feel oppressed by a totalitarian caste that demands always more, more taxes, more free-trade, more jobs lost, more debt, more immigration, while allowing less and less freedom by the day. The solutions to this never ending crisis exist ! They are well-known, easy to apply and in most cases their results are nearly instantaneous. They include restoring the absolute sovereignty of the United States, ending the illegal alien invasion and dismantling the foreign Federal Reserve. These are the solutions the media never talks about, because of the internationalist ideologies they adhere to and never fail to shove down our throats in the name of tolerance, while intentionally trying to confuse the American electorate with obscurantist propaganda. It s time we put an end to the politically...
