Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.I have been asked by hundreds of my friends: Courtney Lodge, what secrets have you used to achieve so much at such a young age? How did you become: Superintendent of Police by age 26; Branch Manager at JN Bank by age 30; CEO of GSB Credit Union by age 35; CEO of the Caribbean Confederation of Credit Unions (CCCU) with responsibility for over 342 credit unions in 18 countries by age 36; Author at 37; business owner (Strategic Corporate Interventions, SCI, Ltd) at 37, worked for the German BKA/FBI, met numerous presidents/prime ministers and other government officials, visited over 40 countries, and so much more.? This book, Personal Mastery shows how you can do this and much more. It is not limited only to professional growth, but all areas of your life. The 7 Dimensions (7Ds) of Personal Mastery are explained and you are then empowered to use tools and templates to get started in creating your very own Personal Mastery Strategic Life Plans. Based on the level of your diligence and beliefs, you will see immediate improvements in the way you think and operate, and in the results you get in your life. If you only knew how much money has flowed into my life before age 40, you too would want to jump on this Personal Mastery train before the month ends. More importantly, however, if you knew the growth I have experienced in my intellectual, emotional, physical, spiritual and relational development, you would embrace Personal Mastery before today ends.
