Brand New Book ***** Print on Demand *****.In this political satire, the middle class finally levels the economic and political playing field with the help of four unlikely people. It s the late 2000 s and the mortgage and credit crisis are beginning to unravel the economy. A deranged serial killer has targeted several key players thought to have had a hand in the financial meltdown. Jason MacMillan, one of the nation s top investment bankers has it all: money, looks, prestige -- but it s still not enough. His insatiable greed becomes tempered by a haunting stalker, and personal tragedy forces him to rethink his values. Using Dr. Martin Luther King, Jr. and Mahatma Gandhi as role models, MacMillan transforms from a one-percenter to a leader of the middle class. But overhauling corporate dominance is something MacMillan can t do alone so he enlists the help of his shoot-from-the-hip cartoon comedy writer girlfriend; his old Harvard pal -- a brilliant but quirky South African scientist; and a destitute Native American farmer from Oklahoma. The result -- Enough s Enough! becomes a powerful populist movement of millions of Americans who force oil barons, fast food giants and mega discount chains to change the way they do business.
