Reviews

An extremely awesome publication with lucid and perfect explanations. It is actually written in basic phrases rather than confusing. You will like how the writer publishes this book.

(Melody Jakubowski)

Routledge. Hardcover. Condition: New. 196 pages. Dimensions: 9.2in. x 6.2in. x 0.6in. This major study discusses some of the meanings and preconditions of freedom, responsibility and social order. The author argues that these are problems of modernity. The imagination of civil society created a milieu which was at once the location and defence of social self-sufficiency in the world. The book identifies the origins of civil society in the work of Locke, Hobbes, Rousseau and the often forgotten philosophers of the Scottish Enlightenment. It shows how the assumptions of civil society, and the state of nature, fed into the sociological and philosophical discourses which emerged in the nineteenth century. The book does not ask What is civil society; instead it asks Why is civil society The author concludes that through civil society, the protagonists and heirs of European modernity struggled to make their world meaningful and safe. Civil society involved the establishment of boundaries between the community of the social and the terrifying milieu of Nature. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Hardcover.
