

Essayism (Paperback)

By Brian Dillon

Fitzcarraldo Editions, United Kingdom, 2018. Paperback. Condition: New. Language: English . Brand New Book. Imagine a type of writing so hard to define its very name means a trial, effort or attempt. An ancient form with an eye on the future, a genre poised between tradition and experiment. The essay wants above all to wander, but also to arrive at symmetry and wholeness; it nurses competing urges to integrity and disarray, perfection and fragmentation, confession and invention. How to write about essays and essayists while staying true to these contradictions? ESSAYISM is a personal, critical and polemical book about the genre, its history and contemporary possibilities. It s an example of what it describes: an essay that is curious and digressive, exacting yet evasive, a form that would instruct, seduce and mystify in equal measure. Among the essayists to whom he pays tribute - from Virginia Woolf to Georges Perec, Joan Didion to Sir Thomas Browne - Brian Dillon discovers a path back into his own life as a reader, and out of melancholia to a new sense of writing as adventure.

Reviews

This is basically the greatest pdf i have got go through right up until now. It normally fails to cost excessive. Once you begin to read the book, it is extremely difficult to leave it before concluding.
