An extremely awesome publication with lucid and perfect explanations. It is actually written in basic phrases rather than confusing. You will like how the writer publishes this book.

STILL 1NAVYWOMAN: A PAINFUL JOURNEY (PAPERBACK)

Inspiring Voices, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This continuing story describes my life after active duty and while in the navy reserves. It s the story of my struggle to make a normal life for myself, all the while unaware that I was suffering from depression, ADD, and dyslexia. Despite my family of origin placing me into foster care at age twelve, I attempted on numerous occasions to reach out to them, wanting to be accepted and loved by them. I failed to achieve this, so I ve quit trying. It only causes me more depression. Some verses from 2 Corinthians chapter 4 sum up my feelings about that part of my life: But we have this treasure in earthen vessels . We are hard pressed on every side, yet not crushed; we are perplexed, but not in despair; persecuted, but not forsaken; struck down, but not destroyed.
