Oxford University Press. Paperback. Book Condition: new. BRAND NEW, American Political Parties and Elections: A Very Short Introduction (2nd Revised edition), L. Sandy Maisel, Few Americans and even fewer citizens of other nations understand the electoral process in the United States. Sandy Maisel provides an insider's view of how the system actually works while shining a light on some of its flaws. He also illustrates the growing impact of campaigning through social media, the changes in campaign financing wrought by the Supreme Court recent decisions, and the Tea Party's influence on the sub-presidential nominating process. As the United States enter what is sure to be yet another highly contested election year, it is more important than ever that Americans take the time to learn the system that puts so many...
