Last Gasp. Hardcover. Condition: New. 266 pages. Dimensions: 8.5in. x 6.0in. x 1.5in. Beautiful new hardcover edition of Barefoot Gen Volume Three! Striking new design with special sturdy binding for institutional use. August 6, 2015 marked the 70th anniversary of the dropping of the atomic bomb on Hiroshima. Today, the danger posed by nuclear weapons is as great as ever, yet few people survive who witnessed their horror. To mark the event, and honor Keiji Nakazawas incredible work, Last Gasp created a special set of Barefoot Gen, volumes 1-4 for institutional use. Nakazawas manga illustrates the true impact of nuclear weapons when used against a civilian population. It is vital reading for people of all ages, and especially for todays youth. By keeping this tragedy in our collective consciousness, we can strive to never repeat it and guide humanity towards a course of peace. Barefoot Gen Volume Three Life After the Bomb picks up the story with Gen, his mother and his baby brother searching for a place to rest in the bombs aftermath. Facing rejection, hunger, and humiliation, they come to realize that they still have and can share three crucial possessions: their self-respect, their hope, and their inner strength. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Hardcover.
