Createspace, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.It's hard isn't it? Knowing just where to begin when you're new to the whole online selling game. With so many others already earning money and touting the praises of their methods, where exactly do you begin? Many newbies give up before they've really begun. That's due in part to the unrelenting maze of courses, ebooks, and other assorted sources available as soon as you log in! It's confusing. Who's right? Who's wrong? And who's in it just to make a quick buck from the inexperienced? This guide will point you in the right direction! Why Sell Online? Everyone wants to make money. That's a given. And the internet can present some pretty lucrative possibilities. But it can also create a breeding ground for scammers. Sometimes it's tough to know what is a scam and what isn't. No one can tell you in all honesty that they haven't, at some time in their online career, been taken at least once by a hyped-up scam. You have to understand that there are some folks who are a constant source of helpful information, and those that are hanging out looking for the quick cash. While you can make some easy profits doing business on the internet, you still must be vigilant and careful when buying. The old adage still rings true, especially online: Let The Buyer Beware. When you sell products online, generally start-up costs are much lower than that of a traditional brick-and-mortar store. In many cases your monthly costs would be less than going for a night out. So, turning a profit is much,...
