Some secrets demand betrayal. 'You're seventeen, and of age now, and therefore old enough to understand what I'm going to tell you,' my father said. 'This place doesn't exist.' 'I'll remember,' I told him, but didn't realise until later what kind of promise I had made. When Noria Kaitio reaches her seventeenth birthday, she is entrusted with the secret of a freshwater spring hidden deep within the caves near her small rural village. Its preservation has been the responsibility of her family for generations.
