Lets Laugh shows the author s first view of the subject. This condition called the change of life is typically not a laughing matter and most often plunges women in melancholy if not depression. Donna says lets laugh, as from her experience it does help. everyone should have a copy of this work to understand what our sisters, mothers and wives face at the turn of the road. Men cannot be ruled out as inductees in this infamous hall of fame. Who knows a grumpy old man could be in menopause! As was said in one of the poems, menopause is actually MEN-ON-PAUSE.
