

## Natural History of British Fishes: Their Structure, Economic Uses, and Capture by Net and Rod; Cultivation of Fish-Ponds, Fish Suited for Acclimatisation, Artificial Breeding of Salmon (Classic Reprint)

By Francis Buckland

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Natural History of British Fishes: Their Structure, Economic Uses, and Capture by Net and Rod; Cultivation of Fish-Ponds, Fish Suited for Acclimatisation, Artificial Breeding of Salmon The fisheries of this country - both sea and river - have now assumed such vast importance, that I have great pleasure in acceding to the wish of the Committee of the Society for Promoting Christian Knowledge, to bring out a new edition of this book. The first edition was known under the title of Familiar History of British Fishes. Having since the publication of this book served Officially on several Government Fishery Commissions, I have lost no opportunity - whether on my travels, Inspections, or at court sittings - to obtain all possible information relative to fish and fishing. This, therefore, is not merely a book on Ichthyology, but is an introductory guide to the great and important science of fish-culture. The general public have not, I am sure, an idea of the vast importance of this science; let them therefore for a moment consider from whence must...

### Reviews

*This is actually the finest ebook i have got study till now. I actually have go through and that i am sure that i am going to likely to read once again once again later on. Its been developed in an extremely straightforward way and is particularly simply soon after i finished reading through this ebook through which actually modified me, change the way i really believe.*

-- Mrs. Maybelle O'Conner

*This type of book is every thing and made me seeking forward and more. It is amongst the most awesome publication we have go through. Its been developed in an exceptionally straightforward way and it is only soon after i finished reading this ebook by which actually altered me, alter the way i believe.*
