

War on Terror - How Discourse changed after 9/11

Filesize: 5.82 MB

Reviews

Extremely helpful for all group of men and women. it absolutely was writtern extremely perfectly and valuable. Your way of life span will be transform when you complete looking at this ebook.

(Prof. Trever Torphy)

WAR ON TERROR - HOW DISCOURSE CHANGED AFTER 9/11

Grin Verlag GmbH Apr 2013, 2013. Taschenbuch. Book Condition: Neu. 210x148x2 mm. This item is printed on demand - Print on Demand Titel. - Seminar paper from the year 2010 in the subject English Language and Literature Studies - Other, printed single-sided, grade: 1,7, Ernst Moritz Arndt University of Greifswald (Anglistik), course: Discourse Analysis, language: English, abstract: [...] The discourse he (re)started, continued or resumed on shaped public discussion and debate surrounding terrorism worldwide. '9/11' has become a term everybody understands in its conventional sense, as a realm of creative expression as Daniel J. Sherman and Terry Nardin point out in their book *Terror, Culture, Politics: Rethinking 9/11*. Also Shana Kushner and Amy Gershkoff say that '9/11' has become an ideograph in the sense that the historical event represents an attack on the beliefs, values, attitudes and way of life within the United States. Not only in the English language '9/11' has become a dictum but in many others, too. In this term paper I want to take a closer look on the speech President Bush delivered on September 20, 2001 as State of the Union Address to a joint session of Congress. In my analysis I will go through the speech step by step in order to figure out the main points Bush is making. From there I want to continue with its effects and influence on the discourse about 'war on terror'. I am mainly referring to Norman Fairclough and his interpretations in *Language and Globalization* and also to Kevin Coe et al. and their study *No Shades of Gray*. With the help of these publications I want to emphasize the impact and the aftermath of Bush's discourse as well in media as in society. 32 pp. Englisch.
