DIVINO COMPAANERO: TOWARD A HISPANIC PENTECOSTAL CHRISTOLOGY (PAPERBACK)**DOWNLOAD**

Wipf Stock Publishers, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Description: Divino Compañero explores the necessary foundations for constructing a Hispanic Pentecostal Christology. Although traditionally Pentecostal Christologies have been anchored in a two-nature Chalcedonian model, Alfaro proposes that Spirit-Christology is a more suitable paradigm for a Hispanic Pentecostal Christology, provided it is grounded in the experience, faith, and worship of its community and oriented toward liberative praxis. After reviewing the christological reflection of early Pentecostals and the contemporary turn to Spirit-Christology, Alfaro lays out the main components needed to construct a christological model born out of the Hispanic Pentecostal reality, rooted in the broader Pentecostal christological imagination, and informed by the Pentecostal way of doing theology. Following this method, Alfaro concludes the central metaphor of Hispanic Pentecostal Christology is El Divino Compañero, for in their pilgrimage through this world it is Jesus, the Divine Companion, who through the Spirit guides and nurtures his followers on their way back home. Endorsements: Pentecostals have led the way in awareness of the Spirit in Christian experience and ministry, but in the past have relied heavily on the early church two-natures approach to the divinity and humanity of Christ. Sammy G. Alfaro shows how Spirit Christology, which stresses the role of the Spirit in the life and ministry of Jesus, is well suited to the Pentecostal tradition, not only for contemporary Hispanic Christology, but also for today's social and spiritual needs. --Colin Brown Professor of Systematic Theology, Fuller Theological Seminary Here is another indication of the coming of age of constructive Pentecostal theology in general and Hispanic theology in particular. Dr. Alfaro, fully conversant with two cultures that have shaped the global Pentecostal movement, namely American and Hispanic, offers here a groundbreaking study on...
