Audible Studios on Brilliance, United States, 2016. CD-Audio. Book Condition: New. Unabridged. 171 x 133 mm. Language: English . Brand New. Have you ever heard of your inner child? Well, this is the classic book that started it all. In 1987, Charlie Whitfield s breakthrough concept of the child within - that part of us which is truly alive, energetic, creative, and fulfilled - launched the inner child movement. Healing the Child Within describes how the inner child is lost to trauma and loss, and how by recovering it, we can heal the fear, confusion, and unhappiness of adult life. Eighteen years and more than a million copies sold later, Healing the Child Within is a perennial selling classic in the field of psychology. And it is even more timely today than it was in 1987. Recent brain research, particularly on the effects of trauma on the brain of developing children, has supported Whitfield s intuitive understanding as a psychiatrist. About HCI Recovery Classics: HCI s recovery backlist contains some of the most important and best-selling works in the recovery field. These books are still sought after today, selling more than 100,000 copies per year. Our new line of branded audiobooks features expanded editions of our top recovery titles, new introductions, updates on pertinent recent developments in the field, and contemporary new cover art.
