Prentice Hall (a Pearson Education Company), United Kingdom, 1972. Hardback. Condition: New. Language: English . Brand New Book. No one shall tell me that I was once a mouse! roars the tiger. But an old hermit, mighty at magic, does tell him; for it was he who first changed the tiger from a wretched little mouse to a stout cat, to a big dog, and finally, to his proud and royal self. Youngest readers will take special delight in seeing these changes take place in Marcia Brown s dramatic picturing of the tiger s fall from grace. Older boys and girls will read more meaning into the text. A rajah of ancient India is said to have had such popular animal fables collected as a mirror for princes to instruct his errant sons. Marcia Brown retells this fable from the Hitopadesa in vigorous style and illustrates it in woodcuts of exceptional quality. With a fluidity rare in the medium, they achieve the difficult feat of retaining their strong appeal for children while captivating art lovers of all ages.
