By Tim Gust Phd

Page Publishing, Inc., 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.People who perceive they have a positive Quality of Life (QOL) and who demonstrate positive health habits usually function with decreased levels of depression and anxiety and with increased levels of optimism. Utilizing the results of Health Psychology research, the author has provided the reader with an easy to understand approach and a systematic method that, if followed, allows the individual to make initial as well as long-term positive behavioral change. Suitable for all individuals who desire to...
